Union Gas Energy Efficiency Rebate Program

Union Gas will soon be expanding their existing Home Reno Rebate program to Eastern Ontario. This program will provide rebates of up to \$2500 to customers who install EnergyStar-rated energy efficiency upgrades, including furnaces/boilers, added insulation, new windows, and air sealing. (See reverse for details).

In order to qualify, the customer **MUST** have an energy assessment performed before and after the renovations by a Certified Energy Advisor.

We, at Eco Advantage Energy Advisors Inc., are NRCAN-certified Energy Advisors, and would very much like to work with your organization to help your customers take advantage of this program. Contact us at:

To qualify, customer must have:

- An active Union Gas account.
- A natural gas furnace/boiler.
- Own a detached, semi-detached home, or townhouse.

Customer needs to:

- Do an energy assessment both before and after renovations.
- Complete at least two eligible renovations.

The Rebates:

Rebate (\$)	Upgrade
	Basement Insulation
1000	For adding at least R23 to 100% of basement
500	For adding at least R12 to 100% of basement
800	For adding at least R23 to 100% of crawl space wall
400	For adding at least R10 to 100% of crawl space wall
450	For adding at least R24 to 100% of floor above crawl space
	Exterior Wall Insulation
1,500	Add at least R9 for 100% of building to achieve a minimum of R12.
1,000	Add at least R3.8 for 100% of building to achieve a minimum of R12.
	Attic Insulation
500	For increasing attic insulation to at least R50 from R12 or less.
250	For increasing attic insulation to at least R50 from R13 to R25.
500	For increasing cathedral/flat roof insulation by at least R14.
	Air Sealing
150	Achieve 10% or more above base target
100	Achieve base target
	Furnace/Boiler
500	For replacing 94% AFUE or less furnace with 95% or higher condensing natural gas furnace or replacing 89% AFUE or less boiler with a 90% AFUE or higher ENERGY STAR® condensing gas boiler.
	Water Heater
200	For replacing water heater with ENERGY STAR natural gas water heater with EF of 0.82 or higher.
	Windows/Doors/Skylights
40	For each window, door or skylight replaced with ENERGY STAR-qualified model.

Emergency furnace/boiler replacements may also qualify.

Maximum \$2,500 rebate includes up to \$500 for both energy assessments.

Customer pays the cost of the HST on the assessment.

See <https://www.uniongas.com/residential/save-money-energy/rebates-promotions/home-reno> for full details.
